AS THE SEASONS TURN

Our cover photo and the photo below were taken at Marion harbor this week during the magnificent weather of late September. It is very close to the close of the season on the water but the delightful, colorful confusion of the small craft is still very much in evidence even as the larger boats are being hauled to prepare them for the winter months. The cover is the scene at Barden's yard with the shore finding a double in the still water near shore. The photo below was at Burr's yard where the full moon had pulled the water to the very top of the wharf. One inch or two more is all it would take to wash out the wharf's surface.

Election Overrides

MOST ARE SUCCESSFUL

A total of 637 voters went to the polls Tuesday, September 27th, in the second special election to cover six override requests -- five of those were successful. Town Clerk Lois K. Ennis said 16.79 percent of the voters (3,797) went to the polls.

For a total of \$170,000, among the questions voters passed was the request for \$68,360 to replace the pipes on Eldorado

Drive, 427 to 202, with eight blanks. The vote to replace the pipes on Granada Court at a cost of \$15,225 was passed 425 to 204, with eight blanks. These two votes will add about 16 cents to the tax rate, or about \$1.60 to the annual tax bill on a \$100,000 home. This will be for a capital outlay expenditure and will be reflected on the tax bill for one year only.

The request to hire a part-time director for the Council on Aging passed 345 to 279 with 13 blanks, for a salary of \$7,000 per year. Council Chairman Eleanor Lynch was very happy at the approval.

The sum of \$40,000 was passed for additional funds to construct a corrosion control facility. The vote was 375 to 237 with 25 blanks. The sum of \$142,500 was voted as an override in 1987; however, in order to meet the bidder's figure, an additional \$40,000 was needed. Water/Sewer Superintendent William T. Nicholson explained, "When completed and in operation, this facility will be adjusting the pH of the water entering the town water supply system and reduce the aggressiveness of the water which has been demonstrated by its effects on copper plumbing and copper service lines."

By a vote of 413 to 200 with 24 blanks,

4 PRESTO PRESS October 5, 1988

the request for \$41,176 in anticipation of reimbursement of Chapter 90 highway construction funds, was passed. These funds will be fully reimbursable by the state.

The only question not passing was the request for \$10,254 by the Town Library to participate in a book-sharing program with other area libraries. The vote was 304 yes and 312 no, with 21 blanks. Town Clerk Ennis expressed the opinion the library request failed because insufficient information was given to the voters. "No one seemed to be pushing the information before the election," she said.

One Tax Rate to Continue

MATTAPOISETT SELECTMEN'S MEETING
SEPTEMBER 27, 1988-by VIRGINIA MORGAN

In a joint vote, which is taken annually, the Board of Selectmen and Board of Assessors agreed to have one rate for taxes this year rather than separate residential, general business and industrial rates. Selectmen Chairman William F. Hubbard explained the state law allows the Selectmen and Assessors to decide each year how the tax rate will be based.

Assessor Chairman John D. Gibbons said the difference would be insignificant, in pennies, in a small town with very little

In other business, Selectmen:

EXPRESSED CONCERN about the proceeds from the charges to be collected at the sanitary landfill. Chairman Hubbard noted charges to dump refrigerators, stoves and other large metal items have resulted in only \$10 for July 1988. The figures for all landfill collections average out at \$88. per month and \$1,505 for 17 months, if they are accurate. Selectmen directed Executive Secretary Carol Adams to research the landfill collections. There is a charge of \$10. for each large metal item.

WILL CHECK on a report from Mrs. Clarence Verdi of Mattapoisett Neck on a complaint of a foul smell emitting from the Phoenix Boat Yard, possibly due to a type of paint. Mrs. Verdi called the Building Inspector and Board of Health, both of whom are checking the situation. The neighbors have been suffering for over 3 weeks with bad side effects from the paint fumes, said Selectman John DeCosta.

ANNOUNCED the State Division of Marine Fisheries has ordered a restriction on shellfishing permits to digging or attempting to dig in the "waters and flats and all tributaries of Shaw's Cove north and west of a line drawn southwesterly from the Mattapoisett/Fairhaven town marker on the east shore to Ward's Rock, then north to the southwest tip of Shaw's Cove".

6 and Church Street. Architects Brown and Lindquist of Yarmouth received approval of its plans with requirements and suggestions as follows:

1) It is suggested that all cell doors be of the sliding type and that the pulls be recessed. This will eliminate the doors from being used as weapons; 2) The drawing for the bunks must be redrawn, as the bunks in the cells must be a minimum of 31 inches wide, not have a space between them and the wall, and not have any accessible braces that can be used in the commission of a suicide; 3) Drawings must be submitted indicating the locations of the required security clocks.

required, as all the attorney has to do is
come for the documents.

On a similar matter, Selectmen agreed
to stop charging at Ned's Point effective
September 30th and to close the restrooms.
After paying \$500. to open the restrooms,
the town cleared \$1,300. This sum, however,
will be needed to prepare the restrooms for
winter and also for painting and installing
picnic tables next year.

DIRECTED that December 16 is the dead-
line for all town department budgets to be
in the Selectmen's office. Chairman Hub-
bard said if the budgets are not in they
will be made out the same as last year, and
will not be accepted after December 16.

WILL CHECK into a resident's complaint
that the roadway on the old railroad bed
where the brook flows is in need of fenc-
ing. Selectmen also agreed to look into
the beach area that the town owns and con-
sider it for future clearing for town use.

WILL REQUEST that the Highway Depart-
ment look into trying to keep water from
running into the yard of Mr. Plummer on
Shipyard Lane. When heavy rain floods the
area it creates a problem with flooding in
their yard, Selectmen DeCosta explained.

RECEIVED WORD from Building Inspector Andrew J. Bobola that he conducted a safety inspection on September 23 of the new elevator recently completed at Old Rochester Regional High School. "During this inspection", said the Inspector, "Fire Chief Donald Wood and myself had the chance to discuss with Peter Barbeto, the general contractor, the methods to shut the power off, and the possibilities of opening the doors without involving potential damage to the doors themselves. If indeed these methods fail, and an emergency exists, then the doors must be forced open. I feel we are satisfied with the final results of the operation of the elevator."

RECEIVED A REPORT from Rep. Gerry E. Studds regarding concerns on the possible reopening of the Pilgrim Nuclear Power Station. He has written his concerns to Mr. Lando Zech, Chairman of the Nuclear Regulatory Commission.

"As you know, the facility, closed since April 1986, was recently inspected by the NRC Integrated Assessment Team, in conjunction with Boston Edison's plan to request restart approval. Upon completion of the inspection, agency officials indicated that they could identify no major obstacles to prevent the plant's restart. It is my view that the results of the (SALP) Systematic Assessment of License Performance and the current status of emergency planning

do not warrant such optimism." Rep. Studds expressed concern on the plant's safety and on the emergency evacuation plans.

RECEIVED A COPY of a letter addressed to Paul E. Cusson, President of Pleasant Street Development Corp., regarding the Beacon at Mattapoisett, from the State (MHFA) Massachusetts Housing Finance Agency. The corporation is seeking approval for the site and project evaluation for funding to build condominiums including affordable housing units, off Park Street.

Following a view of the site and consideration of the type of construction, MHFA calls attention to the following issues: 1) Compliance with the state wetlands protection act; 2) Approval for hook-ups to public sanitary and storm sewer systems must be obtained; 3) The capacity of public water lines to provide sufficient supply must be assessed and approval for tie-in obtained; 4) The impact of the traffic to be generated from this development and the need for a second point of access should be addressed as the permitting process continues; 5) Sub-surface soil conditions must be identified and any plans for development must relate

Lovely oversized, 8 room Cape is in perfect condition, including a 2 1/2 car garage with spacious loft area above. This tastefully done 3 bedroom home features a front-to-back living room with a beautiful cobblestone fireplace, dining room with French doors to large country kitchen, mudroom with laundry area, recently done family room in the basement. Excellent landscaping, including cobblestone walkways and ground lighting. Above-ground pool with decking to lower deck and brick patio area for outdoor living.

Offered at \$270,000.

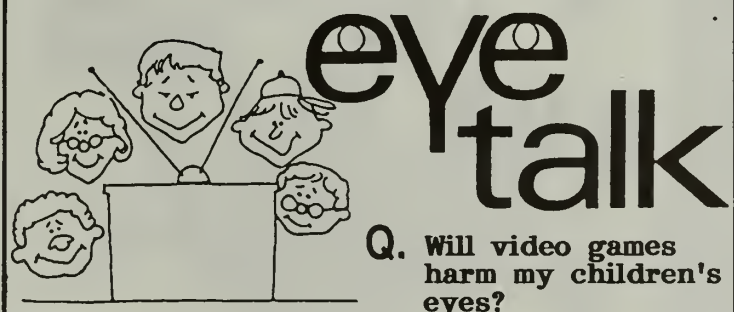

to these conditions.

Local comments issued from Mattapoissett offices include those pertaining to wetlands, storm sewer system, a second means of egress to the site and the ability of this development to meet local housing needs were raised. Most noted was lack of initial communication with the town about the development and an ongoing concern with obtaining up-to-date information concerning the project. It is expected the developer will meet with the community and negotiate in good faith about the details of this development before submitting an actual application for the HOP (Homeownership Opportunity Program) funds.

Environmental Impact Inspection

PROPOSED GOLF COURSE - NUNES LAND VIEWED BY STATE OFFICIALS

On a sunny day, September 27, in a field on the 242-plus acres owned by Manuel R. Nunes, Jr., the beautiful stretch of land and the view from the beach was the scene of an inspection by Ms. Nancy Baker of the State Environmental Protection Affairs Office and officials from Mattapoissett and Fairhaven in preparation for an environmental impact study for the proposed construction of an 18-hole professional golf

A. Actually, video games may help sharpen your children's vision rather than harm it but only if they are played in moderation.

Staring at a video screen for hours on end puts the eyes under great stress. That can lead to headaches, fatigue, blurring vision and, in children and teens, may contribute to nearsightedness.

Played in moderation, however, video games can help sharpen vision skills used in school, on the job and in sports. These include eye movement skills; eye-hand coordination; visual reaction time; visualization; and side vision awareness.

Optometrists don't specify how many hours a day of video game play would be considered moderate play. Instead, they recommend five minute rest breaks for every 30 minutes of play. During rest breaks, players should look at things in the distance.

pany of Hingham in which he displayed aerial photos of the land, which encompasses both Fairhaven and Mattapoisett for a total of about 433 acres, Ms. Baker listened to comments from officials and concerned abutting homeowners of Fairhaven's Shaw's Cove.

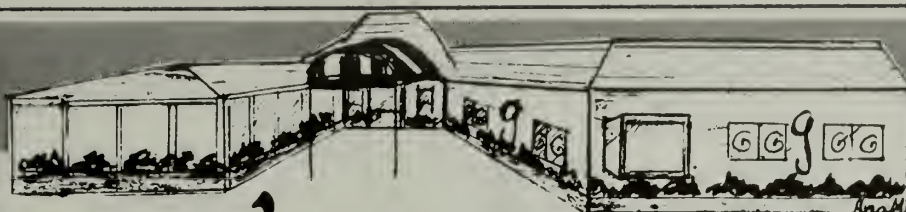

Ms. Baker said "We are here to receive input for an Environmental Impact Report", and noted the 242 acres is large enough to require the proponents to file an impact report. As part of the report, "We will accept information in writing until October 3, then a report will be completed on October 13."

Mr. Davis said the property, including land in Fairhaven, has some wetland; some of the land has not been mapped, but some has been flagged by previous owners. Of the 433 acres, over 200 acres will remain as open land, including the golf course. He explained the golf course designers will be looking at the latest technology which will affect turfs. "We will provide the state impact report with the probable fertilizers and pesticides to be used." A sophisticated run-off plan will be devised to protect Shaw's Cove, he added. The run-off will go into a detention pond to recycle the water into the golf course grounds.

Mattapoisett Shellfish Constable Brian Nunes asked where the detention ponds would be located. Mr. Davis said the sites have not been determined as yet, but will be created in the upland area and not in the tidal or wetland area. Constable Nunes said, "Just today, I was notified by the State Division of Marine Fisheries that Shaw's Cove has been closed to shellfishing for 30 days on the Fairhaven side because of a high fecal coliform count." He said a small portion of 100 yards is in Mattapoisett.

Mr. Davis continued, "We hope to include Brandt Beach residents in the sewer sys-

tem; it is my understanding that many homes there have leaching field problems with poor soil." Fairhaven's Town Planner, Nick Tangney, asked about an on-site pumping station. Mr. Davis said "We are planning an on-site pumping station and are working on giving information to both Mattapoisett and Fairhaven departments."

An interested Shaw Cove resident asked about the 17 cottages not now having water tie-ins. Mr. Davis said they are doing a water regulation study and will be able to identify the flow for them. However, he added, "We can't take care of the whole area." It has not been determined which town will be supplying water to the development, Mr. Davis explained. "We have been talking to Fairhaven DPW and hope to receive an answer in a few weeks."

The house lots will be 30,000 to 50,000 square feet; 30,000 being Mattapoisett's minimum and 50,000 Fairhaven's minimum. The closest house to the water will be several hundred feet away from the water line, said Mr. Davis. He explained there will be a permanent restriction saying that 20 years from now (more or less) if the golf course doesn't work out, the land will be kept open - no homes will be built in the golf course area.

In the beach area, plans are for a cabana and small parking area, Mr. Davis said. "The public will not be denied from walking on the beach, and as long as they don't create a nuisance we won't bother them."

Martha Peterson of the Mattapoisett Growth Management Committee expressed concern of the pesticides flowing into the cove; the wetlands; access to water for the homes; and traffic increase. She noted Brandt Island Road will take the brunt of contractor's trucks, as Mr. Davis noted Brandt

Island Road would be the main entrance road. The proponents are going to do a traffic study and this will be added to the MEPA report, said Mr. Davis. Several bad curves on Brandt Island Road were cited by Mattapoisett's Building Inspector, Andrew J. Bobola, and Mrs. Peterson.

Ms. Baker explained that even though there are two communities involved, there will be only one document for each town. She added that the developers will have to get several state permits, such as sewer expansion, pollution control review, water quality survey and federal permits.

BIKE-A-THON TO BENEFIT ST. JUDE'S

A "WHEELS FOR LIFE" Bike-A-Thon will take place in Mattapoisett on Saturday, October 15th, to benefit St. Jude Children's Research Hospital in Memphis, Tennessee.

Founded by Danny Thomas in 1962, it is now the largest cancer research institution in the world but depends upon public support to carry out its vital work.

"Wheels for Life" Bike-A-Thons help fight childhood cancer, rare blood diseases and other catastrophic diseases in our children.

Mattapoisett's Bike-A-Thon is one mile long and begins and finishes at Center School. It will last four hours. Riders and sponsors are welcome at any time between 11 a.m. and 3 p.m. They are the key to success. Sponsors promise a do-

Vaudeville at Tabor

THE WRIGHT BROS. HAVE LANDED!

Five New England performers, Jack Golden, Sam Kilbourn, Garry Krinski, Jody Scalise and Lenny Zarcone, have combined their diversified talents in the most exciting new troupe in the new vaudeville movement today -- The Wright Bros. Originally formed as The Modern Vaudeville Theater, The Wright Bros. are taking their power-packed shows on tour throughout New England. Ranging from juggling to storytelling, from mime to acrobatics, and from moving comic music to hilarious parody, their work is held together by an overriding sense of fun. They will be performing at Tabor Academy, Marion on Saturday, October 8th, at 7:30 p.m., Lyndon South. Admission is free.

MEETING OF SEPTEMBER 28

Eliot Koffman, Shawondasse Road - Request for a Determination. Proposal to add small "mud room" and to expand second floor study. A negative finding was issued, as the project will not alter the resource area (land subject to coastal flooding).

Edward Brainard, Delano Road - continued until October 12th at 7:15 p.m.

Frederick T. Iddings, Hastings Road - Notices of Intent for 13 dwellings. House on lot #1, originally 7 feet from salt marsh, will be relocated 20 feet away. A group of concerned abutters were present. Hearing continued to October 12th at 7:30 p.m., when hydrology of the site will be discussed.

Dr. John Collins, Planting Island - Notice of Intent to expand house, upgrade septic system. Hearing was closed.

Dexter Beach Assoc. - Request for a Determination. Proposed project is the surfacing of roads with fiberglass shingle tabs. ConComm expressed concern about environmental effect on marsh if material is carried away by storms. Association members said road damage from storms often prevents regular trash collection. Selectman Pratt recommended consultation with his Board. ConComm requested the filing of a Request form before maintenance work

A Certificate of Compliance was issued to Roger Blanchette, Holly Pond Road.

A memo was sent to the Selectmen/Building Department concerning problems with building code violations in the flood plain.

A special meeting is scheduled for 7:30 p.m. Thursday, October 20th, to discuss the designation of the Sippican River as an Area of Critical Environmental Concern.

The DEQE Regional Office, responding to an appeal by Amaroq Development, has requested additional information. The ConComm will ask that this case be remanded to it, in accordance with DEQE regulations.

The next meeting will begin at 7 p.m. Wednesday, October 5th. Scheduled hearings are as follows: 7 p.m., Bilentschuk, Ridgewood Lane; 7:15 p.m., Town of Marion, Taber Hall; 7:30 p.m., Planting Island Causeway management plan, discussion with abutters.

will increase their motivation to use their abilities to the fullest, for they represent an important intellectual resource which our nation needs."

The over one million participants in the current Merit Program entered the competition by taking the PSAT/NMSQT in October 1987 as high school juniors. Although their qualifying test scores are very high, the 35,000 young people throughout the nation who are Commended Students scored slightly below the level required for Semifinalist standing in their respective states. Only the 15,000 semifinalists, whose names were announced on September 15th, will continue in the competition for some 6,000 Merit Scholarships to be awarded in the spring of 1989.

ember 6th. Susan Layton and Jean West are organizing the event which will be comprised of voices from the O.R.R. District faculty and staff, as well as the choruses from both the Junior and Senior High Schools.

This Christmas Cantata is less known than such works as Handel's "Messiah", but is no less of a celebration of the season. Historians speculate that Vivaldi probably wrote this Cantata for a Venetian girls' orphanage, but over the years it has been rearranged to include a full range of male voices. The chorus currently has about ten male voices, and it needs more. If you are interested please contact Susan Layton at 758-4928.

NATIONAL YEARBOOK WEEK

Tabor Academy will once again celebrate National Yearbook Week October 3-7 and activities and events are planned to highlight the celebration.

The Tabor yearbook staff produces the "Fore 'n' Aft" and is directed by Advisor Kimberly Keene who said that National Yearbook Week offers schools the opportunity to honor and recognize yearbooks and the student journalists nationwide who create them.

President Reagan has signed a proclamation that cites the educational and career value of the yearbook and the historical and social significance of this school publication.

Advisor Keene said that staff members, led by Editors Andrew MacAulay and West Riggs, are organizing National Yearbook Week events that will include: Yearbook Sign-up, recruiting interested students; the sale of ad space in the Fore 'n' Aft, now through December; yearbook displays in area businesses.

Tabor Academy has a long yearbook tradition, having produced the "Fore 'n' Aft" for 83 years. Each year a student staff plans, designs and produces the publication. "It's a complete experience", said Mrs. Keene. "Staffers learn and practice skills in writing, editing, marketing, advertising, budgeting, photography, art and design, and people management. Some go on to further journalism study,

but all benefit in some way from the demanding and educational work of producing the yearbook."

The 1989 "Fore 'n' Aft" is scheduled to be delivered next Fall during September.

The master bedroom suite is on the first floor and there is a full second staircase to an expansion attic over the garage. One of Mattapoissett's nicest homes!

Greenbough Drive

\$225,000.

This 4-year old Saltbox Colonial has a contemporary flair and easy maintenance design. 3 bedrooms, 2 full baths and an acre of land close to village activities. The circular drive has interesting stone work. Solar effect has been utilized on the South side. Multi-level deck leads to a pool. A home with many unique features.

Edgewood Lane

\$192,000.

Just off North Street within walking distance to the post office and morning coffee. The character of this 25-year old home is apparent the moment you walk through the front door. 3 or 4 bedrooms, 1 1/2 baths and screened summer porch are features. Just under 1/4 acre lot with privacy and mature trees. A home that is reasonably priced in a desirable location!

Glass Museum Merit Award

The New Bedford Glass Museum has received a particular honor this year, in the form of an unusually large Merit Aid grant from the Massachusetts Council on the Arts and Humanities.

Based on the recommendations of MCAH site reviewers, the Council has more than doubled its previous operational support for NBGM, with an award of \$8,970. The Museum has been informed that this 107% increase is rare in Fiscal '89, when very few Massachusetts institutions received any increase.

Council reviewers cited the Museum's important work in introducing contemporary

Mystery of Edwin Drood

"The Mystery of Edwin Drood", the solve-it-yourself Broadway Musical, will be at the Zeiterion Theatre on Thursday, October 13th, at 3:30 p.m. and 8:00 p.m. This lively, madcap murder mystery is the only musical in theatre history that lets the audience vote on the ending. Tickets are priced at \$26.00, \$23.00 and \$20.00 with a \$2.00 discount for senior citizens and students. For more information on tickets, group packages and season subscriptions, call the Zeiterion Box Office at 994-2900. Tickets are also available at all Ticketmaster locations.

Rupert Holmes' lighthearted mystery is based on an unfinished novel by Charles Dickens. Because Dickens died halfway through the writing of the novel, and left no notes, this ingenious musical leaves it up to the audience to choose the murderer in a popularity (or non-popularity) contest.

The actors are prepared to perform any and all of the possible solutions the audience might select, with the various endings already written by Mr. Holmes. There is a different ending at every performance

Rupert Holmes is best known as the composer of the hit tune, *Escape* (The Pina Colada Song). "The Mystery of Edwin Drood", his first stage musical, won a total of five Tony Awards, including Best Musical. It also received the Drama Desk and Outer Critics Circle Awards for Best Musical. *Drood* was the first Broadway musical in history to receive the rarely presented Edgar Award for Best Play from the Mystery Writers of America.

"The Mystery of Edwin Drood" combines the twist and turns of a good whodunit with the high-spirited fun of an English Music Hall. It transports the audience to

LECTURE ON SHAKERS

Richard S. Reed will present a lecture entitled "The Shakers: Harvard and Shirley" on Tuesday, October 18th, at 7:30 p.m. in the Theatre of the Round Barn at Heritage Plantation of Sandwich.

This lecture will include a general overview of the Shaker order in America from their arrival in 1774 to the present; and will focus on community life in the Harvard and Shirley Shaker village which flourished throughout the nineteenth century in the central part of Massachusetts. Officially known as The Believers in Christ's Second Appearing, the Shakers sought to create a more perfect society. They invented many conveniences taken for granted today and are especially well-known for the beauty of their furniture in which form followed function.

Richard S. Reed is Director of Fruitlands Museum, Prospect Hill, Harvard, Massachusetts. A recognized authority on the Shaker culture, Mr. Reed has lectured frequently on the Harvard and Shirley communities.

The lecture is free to members of the Museum. Non-members will pay \$3.00. Please register by calling 888-3300, extension 22.

In Remembrance

MISS LORETTA C. NOEL

Miss Loretta C. Noel, born October 27, 1895, died September 28th. Miss Noel lived all her life in Mattapoissett at 135 Fairhaven Road except for her early girlhood spent in a convent in Canada. She will be remembered primarily as an historian of West Mattapoissett and her affection for the town. Her residence, after the tragedy a few years ago of an automobile ramming her home in the middle of the night, was at the Mattapoissett Nursing Home, where she was treated royally. She is at peace now with her God but will never be forgotten by her neighbors and friends. Miss. Noel was a faithful parishioner of St. Anthony's Church. She was in the care of Gladys Rusinoski, a life-time friend.

REPEAT OF A SELLOUT!!!!

Earlier this year, Pentax announced a new line of lenses. We bought every one of their "close-outs". They were Pentax-made, top quality and fully warranted. Originally sold at \$129.00 or more, we offered them at \$69.00, and they vanished. Now, as luck would have it, we found exactly 14 more in a wholesaler's warehouse. If you own a PENTAX (or Chinon), better move quickly. They are 150mm telephotos.... sharp and top quality. Please hurry. At \$69.00 they won't last long. dition, canines and felines functioned to enhance the content of these works in a variety of fascinating ways. This lecture will explore this process in an effort to understand the remarkable status enjoyed by pets during the Romantic period.

Dr. Robert L. McGrath is Professor of Art History at Dartmouth College. He lectured at Heritage Plantation on the "Young America" exhibition in 1985 and this year contributed the essay, "From Felicity to Fear: Dogs and Cats in American Narrative Painting", to the Canines and Felines Exhibition Catalogue. Folk Music Series

TO FEATURE TOM PAXTON

Zeiterion's Folk Music Series will open with Tom Paxton accompanied by Cathy Fink and Marcy Marxer on Sunday, October 15th, at 8:00 p.m. They will present an evening of traditional and contemporary American folk and country music. Tickets are priced at \$11.00 each with a \$2.00 discount for senior citizens and students. For more information on tickets, group packages and season subscriptions call the Zeiterion Box Office at 994-2900. Tickets are also available at all Ticketmaster locations.

Tom Paxton, contemporary singer-songwriter, performer and recording artist, returns to the Zeiterion after his successful Island Night III appearance. A leader among folk musicians since the early 1960s, Paxton is best known for his ability and diversity as a songwriter.

Cathy Fink and Marcy Marxer have performed together for four years, entertaining people of all ages with their homespun folk and country music.

Fink is a champion banjo player with a repertoire of folk songs, country songs,

Halloween and Easter Seals

For the fifth year in a row the Massachusetts Easter Seal Society, Burger King Restaurants and Channel 12 have teamed up to offer safe Halloween treats. "They're tamper proof for a safe Halloween", according to National Safe Halloween Spokesman Vincent Price.

Coupon books worth \$6.25 are on sale for \$1. at Burger King Restaurants during the month of October. The dollar goes to Easter Seals. Coupons can be redeemed November 1 - 30 for five orders of French fries and five small Pepsi Cola soft drinks.

"By giving Safe Halloween coupon books as treats, you pay once, but give twice", says Vincent Price. "You give a child a safe Halloween treat. You give Easter Seals money to fund services for people with disabilities."

"BILLY MINK'S OPEN HOUSE"

The Thornton W. Burgess Museum in Sandwich Village welcomes its new "Billy Mink" cup plate with a Fall Open House on Saturday and Sunday, October 8th and 9th. Saturday's activities include a live animal storytime at 1:30 p.m. outside on the museum grounds. Refreshments will be served throughout the weekend.

The beautifully detailed plate features Billy Mink at the edge of the marsh by a stand of cattails. Sammy Jay surveys the scene from his lofty perch in the plate's border. The cup plate will be available in amethyst, green, blue and clear lead crystal. The price is \$6.00 and all proceeds benefit the educational programs of the T.W. Burgess Society.

Open House hours are 10 to 4 Saturday and 1 to 4 Sunday.

Autumn Dance

The New Bedford Council on Alcoholism has announced the scheduling of its second annual Autumn Dance to be held October 14th at White's of Westport, from 8:00 p.m. to 12:00 midnight. Music will be provided by the famous 215 Army Dance Band for listening and dancing, and a buffet dinner will be served.

NEBOCA held its first Autumn Dance last October which attracted more than 250 people and hopes this year will be even more successful.

Donation is \$15.00 per person. NEBCOA is a non-profit organization and proceeds from the dance will be used to support the Women's Residential Alcoholism Project (W.R.A.P. House).

Tickets may be obtained by calling Eric at 992-7788.

chusetts beaches and sand dunes? How do they change over time? Why are they important environmentally? And how can we protect them?

These are just a few of the questions that will be answered in a one-day mini-course titled "Life in the Sand Zone - Beach and Dune Ecology" on Saturday, October 15th, from 9 a.m. to 4 p.m. at the Lloyd Center for Environmental Studies at 430 Potomska Road, South Dartmouth. Participants in the course will investigate the plant and animal life found in and along sand dunes and see how they change seasonally, why they are important and how to protect them. Field guides and keys will be used to help identify shells and plants found along the beach and in the dunes.

The entire family is invited to share this experience. The cost is \$10. for members and \$12. for non-members, and half price for children under 12. For additional information on these or any other Lloyd Center activities call the Center at 990-0505. The main building is open from 9 a.m. to 5 p.m. Tuesday through Sunday, and the grounds are open every day of the year from dawn to dusk.

La Leche League

Pregnant women and new mothers are especially invited to join us at the next meeting of La Leche League of Wareham, which will focus on childbirth, the early days and weeks with a breastfed baby, and adjustments the family makes after the baby's arrival. The meeting will be held on Wednesday, October 12th, at the home of Bet Giddings, 61 Cross Road, Rochester; arrival time is 7:15 p.m.; the meeting will begin at 7:30.

The last months of pregnancy are the ideal time to get questions answered about breastfeeding and meet other mothers who have established an enjoyable nursing relationship. The informal monthly meetings of La Leche League provide support, encouragement, and practical information. LLL offers many information sheets and reprints, a lending library of books on childbirth, child care, and breastfeeding, and some materials for sale, including the excellent manual *The Womanly Art of Breastfeeding*. Babies and toddlers are always welcome at LLL meetings. For more information or for help at any time with a breastfeeding problem please call Bet Giddings, LLL Leader, at 295-4724.

SPRINGFIELD SYMPHONY ORCHESTRA
AND SHLOMO MINTZ, VIOLINIST

The Springfield Symphony Orchestra with
Shlomo Mintz, violin, will perform at New
Bedford's Zeiterion Theatre on Sunday, Oc-
tober 9th, at 3:00 p.m. They will perform
the following pieces: John Adams' "The
Chairman Dances", Berg, "Violin Concerto";
Saint-Saens' "Introduction and Rondo Cap-
riccioso"; and Dvorak's "Symphony No. 7".
Their concert is the first of four in the
1988-1989 Greater New Bedford Concert Ser-
ies sponsored by Delken Professional Dry
Cleaners. Tickets are priced at \$24.00,
\$21.00 and \$18.00 with a \$2.00 discount for
senior citizens and students. For more in-
formation on tickets, group packages and
season subscriptions, call the Zeiterion
Box Office at 994-2900. Tickets are also
available at all Ticketmaster locations.

Since 1944, the Springfield Symphony
Orchestra has been presenting a wide va-
riety of quality musical performances in the

open their forty-fifth season with a tour throughout New England. During their regular concert season at the Springfield Symphony Hall, the orchestra performs a series of classical and pops concerts. The Orchestra has won both critical and popular acclaim for its artistic quality and innovative programmings. Under the leadership of Maestro Raymond Harvey, the Springfield Symphony Orchestra has entered into a new era of artistic excellence.

Raymond Harvey began his tenure as Music Director of the Orchestra in 1986. The impact of his leadership has already become apparent to both musician and listener alike. Before his appointment with the Orchestra Harvey has served as Associate Conductor of the Buffalo Philharmonic for three years. He brings to the Orchestra several years of experience in classical conducting and opera work.

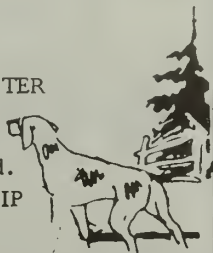

Hailed for his impeccable musicianship, Shlomo Mintz is one of the most accomplished and communicative of today's violinists. He has won the esteem of his colleagues, the acclaim of critics and audiences, and several prestigious awards, including two "Grand Prix du Disque" for his recordings and a "Premio Accademia Musical Chigiana Siena" in recognition of his outstanding level of artistic achievement. Born in Moscow in 1957, Mintz began his formal music studies at age 3½, soon after moving with his family to Israel. He made his concerto debut at the age of 11 with the Israel

N.B. Library Lecture Series

The Friends of the New Bedford Public
Library Lecture Series will featured a noted
botanist Tuesday, October 11th, at 7:30
p.m. at the Buttonwood Community Branch,
745 Rockdale Avenue, New Bedford. Dr.
Richard Howard, Professor of Dendrology
at Harvard University, will give a con-
sumer's guide to understanding those
strange-looking words on cans at your
supermarket. This lecture was re-sched-
uled by popular demand for the many of
you who were disappointed in missing Dr.
Howard due to last year's early snow
storm.

Dr. Howard was Arnold Professor or
Botany and Director of the Arnold Arbo-
retum from 1954 to 1978. His expertise
in his field is brought to a practical
level in this lecture which can instruct
the average shopper on how to eat safely
from your local supermarket.

the state, including a number of state and regional junior champions, several national qualifiers, club champions and all-state selections. Thirty-four boys and two girls will represent approximately 30 high schools during the 18 hole medal play tournament.

There will be trophies for the first 5 finishers. Titleist Corporation will be sponsoring a longest drive contest, 3 closest to the pin awards as well as providing golf-related merchandise to each of the competing players. The champion will also be fitted for a "Young Masters" green blazer, compliments of Sullivan Brothers Clothing Store. There will be television, press and radio coverage of the event, with a family style spaghetti supper, presented by Mike's Italian Restaurant, scheduled to conclude the day. Scores of local businesses and individuals are participating as sponsors.

Darrin Bouley of New Bedford High School will attempt to defend as last year's winner. Other local players include: Mark Brightman, New Bedford High School; Ian Downey and Mark Milhench, Tabor Academy; Andrew MacGregor, Old Rochester Regional High School; Matt Osborne, Bishop Stang High School.

The public is invited and encouraged to attend.
